### PROPOSED GRANT OF GENERAL MANDATES TO ISSUE AND BUY BACK SHARES

At the annual general meeting held on 24 May 2021, ordinary resolutions were passed by the Shareholders granting the Directors general mandates (i) to allot, issue and deal with new Shares not exceeding 20% of the total number of issued Shares as at the date of passing such resolution; and (ii) to buy back Shares up to a maximum of 10% of the total number of the issued Shares as at the date of passing such resolution. Such general mandates will lapse at the conclusion of the forthcoming AGM. The Board therefore proposes to seek your approval of the resolutions to be proposed at the AGM to renew these general mandates.

At the AGM, separate ordinary resolutions will be proposed:

The Issue Mandate will end on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Articles or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company. Based on 612,881,500 Shares in issue as at the Latest Practicable Date and assuming there is no change to the total number of issued Shares prior to the date of the AGM, the Directors will be authorised to allot and issue up to 122,576,300 Shares under the Issue Mandate;

As at the Latest Practicable Date, the number of Shares in issue is 612,881,500 Shares. Subject to the passing of the proposed ordinary resolution approving the grant of the Shares Buyback Mandate and no further Shares will be issued or bought back prior to the AGM, the Company would be allowed under the Shares Buyback Mandate to buy back a maximum of 61,288,150 Shares, being 10% of the total number of Shares as at the date of passing of the resolution in relation thereof. The Shares Buyback Mandate will end on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Articles or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company; and
- (c) subject to the passing of the aforesaid ordinary resolutions of the Issue Mandate and the Shares Buyback Mandate, to extend the number of Shares to be issued and allotted under the Issue Mandate by an additional number representing such number of Shares bought back under the Shares Buyback Mandate.

## **APPENDIX II EXPLANATORY STATEMENT FOR THE SHARE BUYBACK MANDATE**

---

*This Appendix contains the particulars that are required by the Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed view on whether to vote for or against the resolution to be proposed at the AGM in relation to the proposed Share Buy-back Mandate.*

### **SHARES IN ISSUE**

As at the Latest Practicable Date, the Company had a total of 612,881,500 Shares in issue. Subject to the passing of the resolution granting the Share Buyback Mandate and on the basis that there will be no change to the number of Shares in issue before the AGM, the Company will be allowed under the Share Buyback Mandate to buy back a maximum of 61,288,150 Shares, representing 10% of the total number of issued Shares as at the date of passing of the resolution at the AGM.

### **REASONS FOR SHARE BUYBACK**

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Company to buy back its securities in the market. Such buyback may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or earnings per Share and will only be made when the Directors believe that such buyback will benefit the Company and the Shareholders as a whole.

### **FUNDING OF SHARE BUYBACK**

Any buyback of securities of the Company made pursuant to the proposed Share Buyback Mandate would be made out of funds which are legally available for the purpose in accordance with the memorandum and Articles, the Listing Rules and the applicable Cayman Islands laws. Under the Cayman Islands law, buyback by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of shares made for the purpose of the buyback or, subject to the statutory test of solvency, out of capital. The premium, if any, payable on the buyback, shall be provided for out of profits of the Company or from sums standing to the credit of the share premium account of the Company or, subject to the statutory test of solvency, out of capital.

In addition, under the laws of the Cayman Islands, payment out of capital by a company for the buyback by a company of its own shares is unlawful unless immediately following the date on which the payment is proposed to be made, the company shall be able to pay its debts as they fall due in the ordinary course of business. In accordance with the laws of the Cayman Islands, the shares so bought back would be treated as cancelled but the aggregate amount of authorised share capital would not be reduced.

---

## APPENDIX II EXPLANATORY STATEMENT FOR THE SHARE BUYBACK MANDATE

---

### FINANCIAL IMPACT

The Directors would only exercise the power to buy back in circumstances where they consider that the buyback would be in the best interests of the Company and the Shareholders and in circumstances where they consider that the Shares can be bought back on terms favourable to the Company. The Directors anticipate that if the Share Buyback Mandate were to be exercised in full at the currently prevailing market value, it may have a material adverse impact on the working capital and gearing level of the Company by referring to the audited financial statements of the Company as at 31 December 2021. The Directors do not propose to exercise the Share Buyback Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

### SHARE PRICE

Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result of any such increase.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, the following Shareholders were interested in 5% or more of the issued Shares as recorded in the register of interests and short positions of the Company under section 366 (1) of Part XV of the SFO:

Appointment of proxy must be deposited
95. ~~89.~~ Every instrument of proxy, whether for a specified meeting or otherwise, shall be in such form as the Board may from time to time approve, provided that any form issued to a Shareholder for use by him for appointing a proxy to attend and vote at an extraordinary general meeting or at an annual general meeting at which any business is to be transacted shall be such as to enable the Shareholder, according to his intentions, to instruct the proxy to vote in favour of or against (or, in default of instructions, to exercise his discretion in respect of) each resolution dealing with any such business. or

- (ii) that Shareholders entitled to such Dividend will be entitled to elect to receive an allotment of Shares credited as fully paid in lieu of the whole or such part of the Dividend as the Board may think fit on the basis that the Shares so allotted shall be of the same class or classes as the class or classes of Shares already held by the allottee. In such case, the following provisions shall apply:
  - (A) the basis of any such allotment shall be determined by the Board;
  - (B) the Board, after determining the basis of allotment, shall give not less than 14 clear days’ notice in writing to the Shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;

  - (D) the Dividend (or that part of the Dividend in respect of which a right of election has been accorded) shall not be payable on Shares in respect whereof the Share election has been duly exercised (“the elected Shares”) and in lieu thereof Shares shall be allotted credited as

fully paid to the holders of the elected Shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, contributed surplus account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the Shares to be allotted on such basis and apply the same in paying up in full the appropriate number of Shares for allotment and distribution to and amongst the holders of the elected Shares on such basis.

- (c) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (a) of this Article with full power to the Board to make such provisions as it thinks fit in the case of Shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Shareholders concerned), and no Shareholders who will be affected thereby shall be, and they shall be deemed not to be, a separate class of Shareholders by reason only of the exercise of this power. The Board may authorise any person to enter into on behalf of all Shareholders interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.

- (d) The Company may upon the recommendation of the Board by Ordinary Resolution resolve in respect of any one particular Dividend that notwithstanding the provisions of paragraph (a) of this Article a Dividend may be satisfied wholly in the form of an allotment of Shares credited as fully paid without offering any right to Shareholders to elect to receive such Dividend in cash in lieu of such allotment.
- (e) The Board may on any occasion determine that rights of election and the allotment of Shares under paragraph (a) of this Article shall not be made available or made to any Shareholders with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of such rights of election or the allotment of Shares would or might be unlawful or impracticable or the legality or practicability of which may be time consuming or expensive to ascertain whether in absolute terms or in relation to the value of the holding of Shares of the Shareholder concerned, and in such event the provisions aforesaid shall be read and construed subject to such determination and no Shareholder who may be affected by any such determination shall be, and they shall be deemed not to be, a separate class of Shareholders for any purposes whatsoever.

- (iii) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of Shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of Shares as is equal to the shortfall between:

  - (bb) the nominal amount of Shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for Shares at less than par and immediately upon such exercise so much of the sum standing to the credit of the Subscription Right Reserve as is required to pay up in full such additional nominal amount of Shares shall be capitalised and applied in paying up in full such additional nominal amount of Shares which shall forthwith be allotted credited as fully paid to the exercising warrant holder; and
- (iv) if upon the exercise of the subscription rights represented by any warrant the amount standing to the credit of the Subscription Right Reserve is not sufficient to pay up in full such additional nominal amount of Shares equal to such shortfall as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted or not prohibited by law, the share premium account) for such purpose until such additional nominal amount of Shares is paid up and allotted as aforesaid and until then no Dividend or other distribution shall be paid or made on the fully paid Shares of the Company then in issue. Pending such payment up and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of Shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one Share in the like manner as the Shares for the time being are

transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.

- (b) Shares allotted pursuant to the provisions of this Article shall rank pari passu in all respects with the other Shares allotted or which ought to be allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (a) of this Article, no fraction of any Share shall be allotted on exercise of the subscription rights.
- (c) The provisions of this Article as to the establishment and maintenance of the Subscription Right Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating, the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a Special Resolution of such warrant holder(s) or class of warrant holders.
- (d) A certificate or report by the Auditors as to whether or not the Subscription Right Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purpose for which the Subscription Right Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of Shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Right Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and Shareholders.
